

Template for stitching all the Monthly Trios on 1 piece of fabric.

Stitch Count: 186 wide x 330 long

Use 14ct Aida cloth or 28ct linen. The actual stitched area plus 1/2" space around the outside edge will be approximately 14 1/4" wide x 24 1/2" long. You'll want your fabric piece to be large enough for that area plus another 2" to 3" on all sides.
