Template for stitching House Trios on 1 piece of fabric.

Stitch Count: 195 wide x 77 long

Use 14ct Aida cloth or 28ct linen. The actual stitched area plus 1/2" space around the outside edge will be approximately 14 1/2" wide x 6 1/2" long. You'll want your fabric piece to be large enough for that area plus another 2" to 3" on all sides.
